

Job description

We are looking for a full time experienced Medical Assistant for our new practice. Four day work week, excellent pay and benefits. We are a private practice looking for someone with experience in primary care. Front office experience would be a plus!

Summary

The Medical Assistant, under the supervision of the provider, is responsible for assisting in the delivery of patient care and performs routine clinical tasks to keep the providers running smoothly.

Essential Duties

- Gathers all written information, documents patient symptoms, and relays messages to appropriate provider(s).
- Performs routine Rx refills, under the providers supervision
- Performs prior authorization and referral submission and follow-up
- Receives and returns all patient triage telephone calls in a courteous, professional and timely manner

Job Duties

- Triage patients for same day appointments and confers with the provider(s) for work-in appointments.
- Documents all calls in respective patient charts, verifies phone number and pharmacy preference.
- Verifies prior approval before referring to Immediate Care, Urgent Care or Emergency Room, unless life-threatening issue.
- Follows clinic policy to assure complete and accurate documentation in electronic medical records of any intervention, advice, or directions that have been given to the patient or patient's family.

- Ensures each patient checking out has all medications filled as instructed by the provider per medication protocol.
- Orders immunizations as needed following standing orders.
- Promotes a positive and professional company image when communicating with co-workers, providers, patients, outside health providers, physicians and the public.
- Participates in problem solving of individual, department, or company issues with supervisors and co-workers.
- Reviews order tracking daily to ensure all tests, consults, and procedures are being done with documentation in the electronic medical record.
- Maintains punctual, regular and predictable attendance.
- Works collaboratively in a team environment with a spirit of cooperation.
- Respectfully takes direction from supervisor.
- Other duties as assigned.

Certificates, Licenses, Registrations:

- BLS certification.
- Certified Medical Assistant (CMA) through RMA (Registered Medical Assistant) or AAMA (American Academy of Medical Assistants). - Preferred
