# WE ARE HIRING

## AMAZING LPN's NEEDED!!

**Do you enjoy Seniors?**

**If you are someone who likes to teach and connect**

**Then you should come be a Part of Our Team!**

### Overview

Our independently owned and operated in-home agency is creating a holistic approach to post-surgery care clients, and providing In-home elderly care services, and assessments for Developmentally Disabled adults. The Nurse position will provide professional services while working with a client's provider team to follow all of the instructions and post-surgical care to meet the goals of rehabilitation of our seniors/clients. The Nurse will also provide training and nurse delegation to assure the highest standard of quality care and safety is provided.

We are looking for individuals that embody working with honesty and integrity, someone who is a Self proclaimed "Go getter" and is ready to help pave the way to new and exciting things!

### Qualifications

A graduate from an accredited school of nursing, with a nursing degree is required. Must have at least three years' experience in a clinical or home care setting. Prior home health experience is desired. Previous position working with seniors is preferred. Must maintain a current license in good standing as a nurse in the state. Must possess a current CPR and BLS certification.

### Benefits

Pay range dependent on experience \$30.00-\$35.00/Hr.

Medical, Dental, Vision and other supplemental coverage

Paid Time Off and 401k

Growth and Opportunities abound!!

please connect with us and let us know if you are interested in joining our wonderful team!
